Dear Parents / Caregivers,

RE: RACQ DRIVER IQ PROVISIONAL PROGRAM

The **RACQ Driver IQ Provisional Program** is a road safety awareness initiative aimed at educating senior secondary students, particularly learner and provisional drivers, about the potential risks of travelling in a vehicle as both drivers and passengers. Several proactive strategies will be discussed and explored to equip the students with real-world skills for navigating their driving journey, passengers and peer pressure, and safe responses in the event of breakdown or crash. Students will be encouraged to use these strategies as both drivers and passengers each time they find themselves in a vehicle. Details for the program are as follows:
