8th May 2020

Dear Parents and Carers

Our teachers are excited to welcome back Year 11 and Year 12 students on Monday 11 May. Year 7-10 students will need to continue with learning from home unless they are children of essential workers and vulnerable students. Continue to contact teachers by email if your child has any questions about their home learning.

We understand that parents may choose to keep Year 11 and 12 students home even though they are not medically vulnerable or unwell. They will not be provided with learning at home materials but can use the [learning@home](https://education.qld.gov.au/curriculum/learning-at-home) resources:

<https://education.qld.gov.au/curriculum/learning-at-home>

While at school students will be asked to wash their hands regularly and use hand sanitiser upon entry to the classroom. Our cleaners are also working additional shifts cleaning high touch point areas in classrooms and around the school during the day.

It is preferred that student bring in a water bottle rather than drink from the taps. At the end of last term students were offered a water bottle for free. If your child has not yet collected one they can request one from the office.

Social distancing (1.5m) for adults continues to be an important measure at school and we ask that you minimise visits to the school and do not congregate at access points to the school grounds.

Students who are unwell are to stay home. If a student becomes unwell at school, parents will be asked to collect the student. We have been advised that they cannot stay at school.

If you haven't done so already complete the attendance survey for Week 4:

<https://survey.qed.qld.gov.au/anon/3939.aspx>

Our tuckshop is operating with a reduced menu (link below). Pre ordering is highly recommended. The tuckshop is open from 8.30am for pre orders.

Thank you again for your support during this pandemic.

Regards

Michelle Lyons
Principal
