Dear Parents / Caregiver

INCLUSIVE PERMISSION FOR 2018

At Mossman State High School we believe that utilising expertise and facilities within the community to complement teaching and learning from the classroom is integral to providing a wholistic education for all students. As a result local area excursions may occur as a part of the learning activities planned by teachers across the curriculum.

These may include students walking with their class teacher during school hours to the following venues:

- Council Chambers
- Local Financial Institutions
- Mossman Central Mill
- Mossman Courthouse
- Mossman Police Station
- Mossman Shire Hall
- Mossman Showgrounds
- Mossman Swimming Pool
- Town Library
- Woolworths

This list is a representative list only and not exhaustive, students may be required to attend other local venues. This letter also covers school activities that may be held during normal school hours using Mossman State High School facilities, such as Arts Council Performances etc.

Previously permission has been sought on an individual basis for each of these excursions. However, for efficiency we are now seeking an inclusive permission for any excursion in the immediate local area of the school. Please contact the school should you require any further information. Please complete the Consent Form below and return to the School Office by **Wednesday, 31st January**.

Yours faithfully

Deborah Kachel
Principal
