

# SCHOOL EQUIPMENT LIST FOR 2017 - YEAR 10

All classes start school Monday 23<sup>th</sup> January, 2017.

This information is provided so that students can successfully undertake their studies. Lack of the correct equipment can seriously hamper studies which will in turn be reflected in lower student performance and results.

Please ensure that all equipment is **CLEARLY NAMED** and have some private means of identification placed on them so that losses can be traced.

SUBJECT	EQUIPMENT REQUIREMENTS

## Bring Your Own Device (BYOX) -

Should you wish your student to participate in this program, we would strongly recommend the following minimum specifications for general school use.

- Minimum battery life of 6 hours to cover a school day. NB There will be no charging facilities at school.
- Computer with a minimum of 4GB RAM
- Protective case
- Pointing device (mouse or stylus), touchpad on laptops is ok.
- Onsite warranty [Next Business Day (NBD) Onsite warranty is strongly recommended if possible].
- Accidental Damage Protection Insurance (ADP) preferably from the manufacturer, if done through a third party, check the repair timeframe, next business day if possible is recommended. - *From our experience with NSSCF devices, we consider this essential.*

Enrolment in subjects such as Photography, Film, TV & New Media and Graphics would require a higher specification machine as below to run the higher end software.

- i5 processor (i7 preferred)
- 8GB RAM or more
- Dedicated graphics card
- 500GB Hard drive

In addition, connection to the network will only be possible for machines with a functioning antivirus program installed, a signed BYOX Agreement Charter and connection fee of approximately \$30.

To assist parents to purchase appropriate student devices, both Dell and Acer have set up purchasing portals.
