

SCHOOL EQUIPMENT LIST FOR 2018 YEAR 7

All classes start school on Monday, 22nd January, 2018.

This information is provided so students can successfully undertake their studies. Lack of the correct equipment can seriously hamper studies which will in turn be reflected in lower student performance and results. In some cases (eg. practical subjects) it is not possible to cover the course requirements without the proper equipment.

Please ensure that all equipment is **CLEARLY NAMED** and have some private means of identification placed on them so that losses can be traced. It is required that books be kept in a presentable condition. Parents are encouraged to regularly check student's books for neatness and completion of tasks. Writing should be neat and legible, lines should be ruled, and there should be no scribbling or graffiti on pages.
