

# STUDENT RESOURCE LIST FOR YEAR 12

## 2025

The purpose of the Student Resource Scheme is to provide the parents/carers with a cost effective alternative to purchasing the prescribed textbooks, resources, consumables and/or materials from elsewhere, through reduced prices gained from the school's bulk purchasing processes.

In recognition that these costs can be quite high, Mossman State High School operates a Student Resource Scheme that enables the parents/carers to enter into a written agreement with the school, for a specified annual participation fee, providing the necessary resources and consumables as outlined in the scheme.

Payment of the participation fee and Participation Agreement Form is a mandatory requirement for participation in the scheme and continued participation. Students will not be able to participate in non-curriculum activities if there are outstanding fees or have an outstanding payment plan. Parents/Carers who do not wish to participate in the Student Resource Scheme must inform the school in writing. The parents/carers are then responsible for providing their student with ALL items that would otherwise be covered by the scheme.

General Student Resource Scheme Charges	
Estimated cost to parents not participating in the Student Resource Scheme - General SRS Cost for Year 12 per student (This is dependent on subjects studied)	\$1400.00
<b>Subsidised Mossman SHS General SRS Cost per student</b>	<b>\$588.00</b>
<b>Less Queensland Government Student Resource Allowance</b>	<b>-\$348.00</b>
<b>General SRS Subsidised Parent/Carer's Contribution for 2025</b>	<b>\$240.00</b>

The parent/carer's contribution of \$240.00 plus any additional subject fees must be paid in full by Friday, 4<sup>th</sup> April, 2025 or entered into an individual payment plan with the Business Manager.

### WHAT IF I DO NOT PARTICIPATE IN THE SCHEME

Should you choose not to participate in the Student Resource Scheme, you MUST complete the Student Resource Scheme Participation Agreement Form, TICKING NO and return this form to the school office. You will be required to pay a fee for any school produced items as indicated AND provide all text books and associated items included in the Student Resource Scheme list on the attachment in the Student Resource Scheme Provides section.

### HOW DO I PARTICIPATE IN THE SCHEME

Should you choose to participate in the Student Resource Scheme, you MUST complete the Student Resource Scheme Participation Agreement Form, TICKING YES and return this form to the school office.

### ADDITIONAL SUBJECT FEES

The subject fee is applicable to the relevant elective subject and remain payable regardless of whether you are participating in the Student Resource Scheme or not as this fee is the cost of providing this elective subject. [Nonpayment of elective subject fees may affect a student's enrolment in an elective subject in the following year. Parents/Carers are mailed each month a Statement to keep parents/carers informed of their account.](#)

### PAYMENT OF STUDENT RESOURCE SCHEME FEES

Payment of Student Resource Scheme fees are payable at the school office. Payments can be made in cash, credit card or cheque. BPAY and BPOINT are available and payment details are printed on invoices. Payment Plans can be via Centrelink or through negotiation with the Business Manager. Please contact the School Administration Office to make arrangements to participate in a payment plan.
