

# STUDENT RESOURCE LIST FOR YEAR 12

## 2020

The purpose of the Student Resource Scheme is to provide the parents/carers with a cost effective alternative to purchasing the prescribed textbooks, resources, consumables and/or materials from elsewhere, through reduced prices gained from the school's bulk purchasing processes.

In recognition that these costs can be quite high, Mossman State High School operates a Student Resource Scheme that enables the parents/carers to enter into a written agreement with the school, for a specified annual participation levy, providing the necessary resources and consumables as outlined in the scheme.

Payment of the participation levy and Participation Agreement Form is a mandatory requirement for participation in the scheme and continued participation. Students will not be able to participate in non-curriculum activities if there are outstanding levies or have an outstanding payment plan. Parents/Carers who do not wish to participate in the Student Resource Scheme must inform the school in writing. The parents/carers are then responsible for providing their student with ALL items that would otherwise be covered by the scheme.

Student Resource Scheme Charges	
Total SRS Charge for Year 12	\$521.00
Less Queensland Government Student Resource Allowance	-\$281.00
<b>Parent/Carer's Contribution for 2020</b>	<b>\$240.00</b>

The parent/carer's contribution of \$240.00 plus any elective subject levies must be paid in full by Friday, 3<sup>rd</sup> April, 2020 or entered into an individual payment plan with the Business Manager.

### WHAT IF I DO NOT PARTICIPATE IN THE SCHEME

Should you choose not to participate in the Student Resource Scheme, you MUST complete the Student Resource Scheme Participation Agreement Form, TICKING NO and return this form to the school office. You will be required to pay a fee for any school produced items as indicated AND provide all text books and associated items included in the Student Resource Scheme list on the attachment in the Student Resource Scheme Provides section.
