There are three components of the Student Resource Scheme. These components are:

1. What parents and carers are required to provide
2. What the school provides when the Parent/Carer accept to pay the Student Resource Scheme Parent Contribution Fee
3. What the school provides when your child undertakes an elective subject that has an applicable subject fee.

STUDENT RESOURSE SCHEME charge for this year is $280.00.

WHAT THE SCHEME PROVIDES
By paying the Parent Contribution Fee your child will receive a range of materials including

- Student Diary
- Reproduced class workbooks and worksheets which complement and / or substitute for textbooks
- Student reference materials (eg books, audio / video tapes, software access)

Please refer to the attached detailed information for specific provisions by subject.

WHAT THE SCHEME DOES NOT PROVIDE
The scheme does not provide the “consumables” required by students. These items are required from the first day of school.

- Rules
- Pencil Case
- Blue/black & red pens
- HB pencil & eraser
- Glue stick & scissors
- Paper, note pads, exercise books etc

Please refer to the “Equipment requirements - to be provided by parent / carer” column on attached stationery information list requirements for each specific subject. Please note that this “consumable” stationery is required on the first day of classes.

WHAT IF I DO NOT PAY THE SCHEME FEE
Should you choose not to participate in the Student Resource Scheme, you MUST complete the Student Resource Scheme Participation Agreement Form, TICKING NO and return this form to the school office. You will be required to pay a fee for any school produced items as indicated AND provide all text books and associated items included in the Student Resource Scheme list on the attachment in the Student Resource Scheme Provides section.

HOW DO I PARTICIPATE IN THE SCHEME FEE
Should you choose to participate in the Student Resource Scheme, you MUST complete the Student Resource Scheme Participation Agreement Form, TICKING YES and return this form to the school office.

SUBJECT FEES
The subject fee is applicable to the relevant elective subject and remain payable regardless of whether you are participating in the Student Resource Scheme or not as this fee is the cost of providing this elective subject.

PAYMENT OF STUDENT RESOURCE SCHEME FEES
Payment of Student Resource Scheme fees are payable at the school office. Payments can be made in cash, credit card or cheque. BPAY is available and payment plans are available. Payment plans can be via Centrelink or through negotiation with the school accounts department. Please contact the School Administration Office to make arrangements to participate in a payment plan.
