

School Chaplain – Chloe Percic

The School Chaplain works with students in both group and individual settings, to provide pastoral care, emotional and social support, and to just 'share life' with students. For specific one-to-one support, students can be referred to our school chaplain through the leadership team, with the permission of their parent/caregiver via a permission form. Chaplaincy services are inclusive of, and show respect for, all religious and non-religious beliefs and other stances represented in the school community. All activities and events provided are optional, non-discriminatory and equally available to students of all beliefs, and are provided at the discretion of the principal, in consultation with the school community.

The Chaplain:

- provides Social and or emotional support
- provides Spiritual support
- provides Educational support
- mentors young people
- participates in extra-curricular activities.
