

SCHOOL EQUIPMENT LIST FOR 2024 YEAR 7

All classes commence on Monday, 22nd January 2024

This information is provided so students can successfully undertake their studies. Lack of correct equipment can seriously hamper studies which will in turn be reflected in lower student performance and results. In some cases (eg. practical subjects) it is not possible to cover the course requirements without the proper equipment.

Please ensure that all equipment is **CLEARLY NAMED** and have some private means of identification placed on them so that losses can be traced. It is required that books be kept in a presentable condition. Parents are encouraged to regularly check student's books for neatness and completion of tasks. Writing should be neat and legible, lines should be ruled, and there should be no scribbling or graffiti on pages.

EQUIPMENT REQUIREMENTS

BYOx at Mossman State High School

Bring Your Own Device – Laptop (BYOx) is encouraged but not essential in Junior School. If you choose to participate, please see the following information.

Practical tips to consider when buying a new laptop:

1. Avoid the bells and whistles when it comes to flip and touch screens etc (less to go wrong).
2. Ensure you buy a good quality laptop case and carry bag.
3. Do not pay extra for Microsoft Office products including Word, PowerPoint and Excel. We can install and provide free licencing while your child is at school.
4. Consider purchasing extended warranty if it is on offer as it is a good idea for portable devices that are constantly on the move.
5. Mac is not supported in the school system.

Laptop Specifications

<p>All students will require a personal laptop with the following specifications:</p>	<ul style="list-style-type: none"> • Windows 10 or 11 – no iPads, tablets, Apple devices or Chromebooks. (This school does not support Apple products) • Minimum battery life of 6 hours to cover a school day. NB There will be no charging facilities at school. • Minimum of 4GB RAM. • Microsoft Office (school can provide free licencing while your child is at school). • Wireless networking capacity. • Protective case and carry bag. • Separate mouse if required by student. <p>Please consider</p> <ul style="list-style-type: none"> • Onsite warranty (Next Business Day (NBD) Onsite warranty is strongly recommended if possible). • Accidental Damage Protection Insurance (ADP) preferably from the manufacturer.
<p>Enrolment in subjects such as Media, Graphics and Digital, would require a higher specification machine as indicated to run the higher end software.</p>	<ul style="list-style-type: none"> • i5/i7 processor. • 8GB RAM or more. • Dedicated graphics card. • 500GB Mechanical Hard Drive or 512GB SSD. • USB Headphones – any brand. Over-ear may lead to fewer problems in later years.
<p>In addition, connection to the network will only be possible for machines with a functioning antivirus program installed and a signed BYOx Agreement. There is no fee to connect a BYOx device to the school network. Windows Defender is an acceptable functioning antivirus program that is freely available in Windows 10 and 11.</p>
