

STUDENT RESOURCE LIST FOR YEAR 11

2024

The purpose of the Student Resource Scheme is to provide the parents/carers with a cost effective alternative to purchasing the prescribed textbooks, resources, consumables and/or materials from elsewhere, through reduced prices gained from the school's bulk purchasing processes.

In recognition that these costs can be quite high, Mossman State High School operates a Student Resource Scheme that enables the parents/carers to enter into a written agreement with the school, for a specified annual participation fee, providing the necessary resources and consumables as outlined in the scheme.

Payment of the participation fee and Participation Agreement Form is a mandatory requirement for participation in the scheme and continued participation. Students will not be able to participate in non-curriculum activities if there are outstanding fees or have an outstanding payment plan. Parents/Carers who do not wish to participate in the Student Resource Scheme must inform the school in writing. The parents/carers are then responsible for providing their student with ALL items that would otherwise be covered by the scheme.

General Student Resource Scheme Charges	
Estimated cost to parents not participating in the Student Resource Scheme - General SRS Cost for Year 11 per student (This is dependent on subjects studied)	\$1200.00
