

STUDENT RESOURCE LIST FOR YEAR 9

2024

The purpose of the Student Resource Scheme is to provide the parents/carers with a cost effective alternative to purchasing the prescribed textbooks, resources, consumables and/or materials from elsewhere, through reduced prices gained from the school's bulk purchasing processes.

In recognition that these costs can be quite high, Mossman State High School operates a Student Resource Scheme that enables the parents/carers to enter into a written agreement with the school, for a specified annual participation fee, providing the necessary resources and consumables as outlined in the scheme.

Payment of the participation fee and Participation Agreement Form is a mandatory requirement for participation in the scheme and continued participation. Students will not be able to participate in non-curriculum activities if there are outstanding fees or have an outstanding payment plan. Parents/Carers who do not wish to participate in the Student Resource Scheme must inform the school in writing. The parents/carers are then responsible for providing their student with ALL items that would otherwise be covered by the scheme.
